

There are 30 days in September. It is the ninth month of the year!

Name \_\_\_\_\_

# Remember September

There are a number of important events that take place throughout the month of September. Many holidays will happen and people across the country will take part in different activities because of the change in seasons. People will also take time to remember historical events that have happened throughout history.

## Start and Finish

In September, there is a wide range of things that will start, while on the other hand there are just as many things that will end. For places in the Northern Hemisphere, the season of fall will start while the season of summer will end. For students and teachers throughout North America, their beloved vacations will sadly come to a close and school will begin!

## Holidays

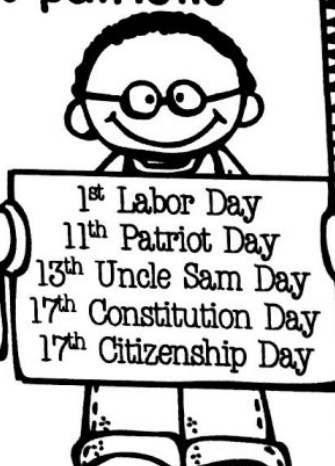

A wide variety of holidays occur throughout the month. Many of the holidays have **themes** that are fun or serious. There are holidays with delicate subjects that help people become **aware**. These are holidays that often result in the creation of opportunities for adults and children to learn about various significant events of the past. In the United States, Americans will celebrate **patriotic** holidays. People will pause, learn, show pride, and remember all the reasons why our country is great. The bell of patriotism will ring all month long.
